Mail Stop SEQUENCE  
Commissioner for Patents

Sir:

The above-identified application became unintentionally abandoned for failure to timely reply to a notice or action by the Patent Office, to which a reply was due on December 9, 2002 (including a 5 month extension of time). The date of abandonment is the day after the expiration date of the period set for reply in the notice or action plus extensions of time actually obtained.

Applicants hereby petition for revival of this application. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 C.F.R. 1.137(b) was unintentional.

Enclosed is the required reply and fee in the form of:

1. Copy of Notice to File Missing Parts dated May 9 2002;
2. Executed Declaration for Patent Application and Power of Attorney for all inventors;
3. Substitute Specification;
4. Marked-up Version of originally filed Specification showing changes;
5. Preliminary Amendment;
6. Petition for five (5) month extension of time to file Missing Parts of Application;
7. Petition for one (1) month extension of time to file Response to Paper No. 8 mailed on January 29, 2003 from the Office of Petitions;
8. Four (4) CD-ROMs containing the Sequence Listing;
9. Statement under 37 CFR §1.52(e)(3);
10. Statement Regarding Sequence Listing under 37 CFR §§1.821(F); and
11. Return postcard.

**Applicants claim small entity status under 37 C.F.R. 1.27.**

The Commissioner is hereby authorized to charge the requisite Petition fee due as a small entity under 37 C.F.R. 1.17(m). Further, the Commissioner is also authorized to charge any other fees due in connection with this filing to Deposit Account No. 50-1169.

No terminal disclaimer is believed to be due under 37 C.F.R. 1.137(d) because this application was filed after June 8, 1995.

Respectfully submitted,

Date: April 28, 2003
